

THORNGROVE NEWSLETTER

22nd March 2010

I apologise for the late release of this newsletter. I returned late on Friday night after taking our 1st XV on a rugby tour to Yorkshire and Cheshire. The boys behaved impeccably and played some super rugby. We played Giggleswick school and won 36-34 and then Terra Nova School just south of Manchester. Although we lost, the children were more impressed with the fact that Solskjaer and Barry (and a few years ago Beckham) are dads at the school. I did tell them that Will Carling used to go there but this seemed to fall on deaf ears (I'm sure that some of you will be impressed with that fact). We had a cracking tour and I hope to go further afield (perhaps abroad) next year.

I don't want to write too much in this week's newsletter and will save it up for my end of term one on Friday. So much has happened in the past few days, it deserves more than a brief mention. This newsletter will focus on the end of term arrangements.

End of Term Arrangements

There will be no prep on Wednesday, Thursday and Friday.

Breakfast Club and After Care will continue as usual.

School will finish at the normal time on Friday (Form 1 at 3.15pm; Forms 2-5 at 3.45pm and Forms 6-9 at 4.00pm).

Please make sure that all sports kit, boiler suits and wellies make it home.

Any lost property found will be displayed in the Old Hall at the start of next term.

Kind regards,

Adam King
(Headmaster)
