

Welcome to Thorngrove

I hope you enjoy a brief tour around our school on this website and that it will encourage you to come and experience the unique environment in which our pupils are lucky enough to work and play.

Thorngrove is a happy, family school which was founded in 1988 by Nick and Connie Broughton based on the belief that individual care and attention is available for all children, whatever their abilities. It is a co-educational day school for children aged 2 ½ to 13 years. All the buildings are architect-designed and are set in 25 acres of beautiful grounds.

We value our caring, friendly community and the benefits it brings. We pride ourselves on our small class sizes and fantastic facilities. We would love you to come along and see for yourself. A website like this one can only touch on a few aspects of a school and give you a first impression. I look forward to meeting you and letting the pupils show you around.

Adam King

Headmaster
